THE STRONG FOUNDATION TO BUILD YOUR PROJECT ON SOLID GROUND

Providence College, Providence RI St. Dominic Chapel Planning & Construction

Farrar & Associates assisted the college from the initial planning stages of this architecturally significant worship center.

Planning & new construction: 600 capacity chapel
 Office of the Chaplain
 Campus Ministry Center

Project challenges: Selection of exterior stone cladding to
 compliment existing buildings
 Engineering the structural steel compression
 ring to support the building cupola
 Installation of 45 stained glass windows
 Installation of the massive pipe organ

The first free-standing chapel in the college's 88 year history, this signature building embodies the spiritual support that is the foundation of Providence College, the nation's only college or university operated by the Dominican Order.

The chapel's design encompasses this spirit and we were honored to participate in bringing this symbol of faith to fruition.

Estimated value: \$9 million
